Concurrent Sessions 1 - 3

Session 1: The Economics of Patents – A White Elephant for Businesses?

Patent application is often seen as an expensive proposition to businesses. The returns may not be immediate nor obvious. With the increasingly aggressive patent litigations initiated by non-practicing entities also know as patent trolls, businesses can no longer ignore patents in their business activities. This session demystifies the patent prosecution process and looks at the opportunities and threats that patent trolls may pose to businesses.

1400

Patent Prosecution Today: From Application to Grant

- Putting the latest changes to patent law into perspective
- Attempts of harmonization policies to address patent issues
- Patent strategy and business considerations

Moderator: Ms Audrey Yap, Managing Partner, Yu Sarn Audrey & Partners
