Table 1.0

To specify user's search conditions:

- Trade Mark Number
- Class Number
- Applicant Name
- Agent Name
- Mark

Precondition for the search to work is that at least one of the fields must be specified.

Trade Mark Number

Trade Mark Number has to be in Tyynnnnc format, with T as prefix, yy as last 2 digits of year, nnnnn as serial number and c the check digit.

Class Number

Only valid class numbers or range of valid class numbers will be accepted. Valid class numbers are from 1 through 45. To select a single class, enter the class number in this field. See Table 1.1 for details.

	Which class to search?	Input to Class Number
Single Class	Class 1	1
Multiple Classes	Classes 1, 3, 5, and 9	1,3,5,9
Range of Classes	Classes 1 through 20	1-20

Table 1.1

Applicant Name

To search by applicant name, entry of partial name is acceptable. For example, ABC Company Limited can be entered as ABC. All records matching ABC will be retrieved.

Applicant name is searched by word only. Embedded name will not be considered as a match.

Agent Name

To search by agent name, entry of partial name is acceptable. For example, ABC Agent can be entered as ABC. All records matching ABC will be retrieved.

Agent name is searched by word only. Embedded name will not be considered as a match.

Mark

To search by mark, the domain for mark search covers: words-in-mark, description of devices, translation, transliteration, and phonetic equivalent.

For example, to search for a Chinese Character mark, only Hanyu Pinyin input is acceptable.

Note:

Ordering of Search Results

If only one criterion is used for the search, the sorting order will be accenting on search criterion with the exception for search by Trade Mark Number. For search with Trade Mark Number ordering of search results will be accenting on Journal Number.

If multiple criteria are specified for the search, the ordering of the search results is dependent on which combination of search criteria is used for the search. Table 1.2 shows the priority for the ordering.

Results Ordering Priority	Search Criteria
1	Mark
2	Trade Mark Number
3	Applicant Name
4	Agent Name
5	Class Number
