Circular No. 3/2019: New Online Payment Platform on IP<sup>2</sup>SG

### **New Online Payment Platform on IP<sup>2</sup>SG (Circular No. 3/2019, dated 31 October 2019)**

In line with Singapore's Smart Nation push towards enhancing customer convenience with fast and seamless digital transactions, we will be launching a new online payment platform on 18 November 2019. The new online payment platform will replace the current over-the-counter payment modes.

With this new online platform, customers can make payment online for transactions not made via IP<sup>2</sup>SG (eg. certified true copies). Payment modes on the new online payment platform include Internet banking, GIRO and Visa/MasterCard credit and debit card.

For forms that could be filed via IP<sup>2</sup>SG, we strongly encourage customers to file via IP<sup>2</sup>SG as they would be processed more promptly, and service bureau charges would not be imposed.

For more information on payment and form submissions, please refer to the "Forms & Fees" sections under the following IP Resources pages for more details:
