

GUIDE TO SEARCH FOR SIMILAR TRADEMARKS IN IP²SG

Before filing an application to register a GI, you may conduct a conflicting mark search to check if any similar mark is present on our register via <https://ip2sg.ipos.gov.sg> > **Search and Enquiry** > **Trade Mark Search**.

At the “Trade Mark Search” page, insert the text appearing in the mark in “Text in mark” field and/or **upload an image** of the mark > **Slide to submit** the search request
