REVISED ENHANCED MEDIATION PROMOTION SCHEME (REMPS)
CONDITIONS TO QUALIFY FOR FUNDING UNDER THE REMPS

- (i) Parties have an existing dispute before IPOS which is the subject-matter of a mediation on or after 1 April 2022, in any event, no later than 31 March 2025 or until the overall fund is drawn down, whichever is earlier.
- (ii) The mediation takes place in Singapore. This may include the use of video-conferencing to involve party representatives who are not able to be present in Singapore during the mediation, as long as the mediator is physically in Singapore during the mediation, and is a Singaporean or is based in Singapore.
- (iii) Parties allow a “shadow” mediator appointed by IPOS from the Young IP Mediator Initiative (“YIPM”) to observe the mediation.¹²
- (iv) Parties disclose their lawyer / agent fees incurred from the start to the end of the IPOS proceedings.
- (v) Parties give feedback on their mediation experience.
- (vi) Parties agree to named publicity, excluding details of the settlement terms (such as the quantum of the settlement). The purpose of the named publicity is to give concrete, relatable examples to other businesses and individuals and thus encourage them to consider mediation. The amount of detail in the publicity is not expected to disclose much more than the identity of the parties, the nature of their disputes, the countries spanned by their disputes, the duration of their disputes, the parties’ comments on the mediation process, any advice they have for others facing disputes etc.
- (vii) Parties co-pay at least 20% of their lawyer / agent fees relating to mediation (and mediation-related disbursements charged by the party’s lawyer / agent).

¹² In the event the YIPM is an accredited mediator, the appointment of the YIPM as co-mediator will also satisfy this requirement of having a “shadow” mediator observing the mediation.
