Circular No. 9/2018: 100% e-Payment with effect from 1 November 2018

100% e-Payment with effect from 1 November 2018
(Circular No. 9/2018, dated 14 September 2018)

In line with Singapore's Smart Nation push towards the adoption of cashless and digital payment modes, IPOS will be implementing 100% e-payment with effect from 1 November 2018. Non-digital payment modes such as cash, cheque and bank drafts will no longer be acceptable.

Along with this initiative, we will be expanding the range of payment modes for over-the-counter transactions to accept Visa and MasterCard services which include credit cards, debit cards and contactless payments such as Visa PayWave, MasterCard Contactless, Apple Pay, Samsung Pay and Google Pay.

Customers transacting with us on our integrated e-services portal, IP²SG, can continue to pay via our existing e-payment modes, which include Internet banking, GIRO, and Visa/MasterCard credit and debit cards.

For enquiries, please email us at ip2sg@ipos.gov.sg, or speak to our customer service officers at (65) 6339 8616.
