

Training Materials used in “Training Workshops for Trade Marks Application Prosecutors” conducted in November 2016

(Circular No. 10/2016, dated 29 Dec 2016)

In light of the entry into force of the Nice Classification, Eleventh Edition, Version 2017 on 1 January 2017, the Registry conducted a series of training workshops on 14 and 16 November 2016.

For the benefit of trade mark prosecutors who have not attended our workshops, we have uploaded the training materials on our website, which can be accessed at the following links:

- [Training slides on the “Nice Classification, 11th Edition, Version 2017”](#)
- [Training slides on the “Common Issues relating to International Classification of Goods and Services”](#)
- [Training slides on the “The Registry’s practices in relation to Translation and Transliteration of non-English words or characters in trade marks”](#)
