(Circular No. 4/2017, dated 17 March 2017)

To provide greater clarity on the administrative changes in relation to the GST implementation on 1 April, IPOS has conducted an information sharing session on 10 March 2017.

For the benefit of others who have not attended our sharing session, we have uploaded the slides on our website, which can be accessed at the following link:

- [Slides on Information Sharing Session relating to the Implementation of Goods and Services \(“GST”\) conducted on 10 March 2017.](#)

We have also updated the following documents:

- [FAQs on GST implementation](#), and
- [GST Form](#) for manual filing/over-the-counter requests. Declaration of foreign applicants/requestors is no longer required.

As part of our commitment to ensure a smooth transition, we have set up a dedicated help-desk to address any further queries that you may have.
