Registry of Trade Marks

Accepted suggested descriptions of goods and services for addition into IPOS' Classification Database

Background

The Registry is piloting an avenue for interested parties to provide suggestions of descriptions of goods and services for addition into IPOS' Classification Database ("Database"). You may refer to [Circular No. 7/2023: Invitation to submit suggested descriptions of goods and services for addition into IPOS' Classification Database](#) and [Circular No. 1 of 2024: Extension of deadline for submission of suggested descriptions of goods and services for addition into IPOS' Classification Database](#) for more details.
